[Data Definition Language Scripts \(DDL\)](#) | [New Tables](#) | [Modified Tables](#) | [Data Manipulation Language Scripts](#)

These cases are included in the [Campus.2144](#) release pack.

## Feedback Requested

As a user of this schema change document, would you find would you find this type of information helpful if it was provided for Rx releases such as [Rx Pack - Campus.2132](#)? (Schema changes in Rx cases are rare, on average one in thirty cases.)

Please respond in the comments field at the end of this article. Thanks!
