## Roster

The roster is sorted into three sections, **Incoming**, **Active**, and **Dropped**.

Section	Description
<b>Incoming</b>	Incoming students are those who are scheduled to begin enrollment in the section at a later date, based on the Start Date entered on their <a href="#">Schedule</a> . The student's name displays in green text based on the <a href="#">Days to Flag Roster Additions</a> system preference.
<b>Active</b>	Active students are those who are actively enrolled in the school and currently scheduled into the section.
<b>Dropped</b>	Dropped students are those who are no longer scheduled in the section based on the End Date entered on their <a href="#">Schedule</a> , or who are no longer enrolled in the school.

A summary of each section appears below the header which calculates the number of students in the section in each gender and grade level.
