Google Permissions

For files submitted through Google Drive, teachers have the option of returning edit rights to a student by marking **Edit** in the Student's Google Permissions column of the **Submissions** list. This option modifies the student's rights to the Google file only, it does not alter the status of the assignment in Campus.

This option can be used to allow a student to edit a turned in file prior to grading. Revoke edit rights at any time by switching permissions back to **View**.

I've entered some comments on your essay and returned edit rights to you. Please make updates and corrections by Tuesday, January 29th, after which I'll revoke edit rights.
