The Early Learning tool lists student information related to programs designed to improve the health, social-emotional and cognitive outcomes for all students from birth through third grade, using the federal guidelines. The Early Learning tab is also available in State Edition sites.

Fields vary by state. Please see your state's State Tools articles for more information on Early Learning procedures in your state.

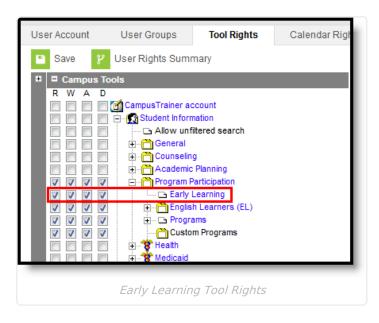

Tool Rights for Early Learning

Tool rights must be assigned to this tab.

Users with at least Read and Add tool rights are able to create and save new records. Only users with Write tool rights are able to edit or end existing open records.

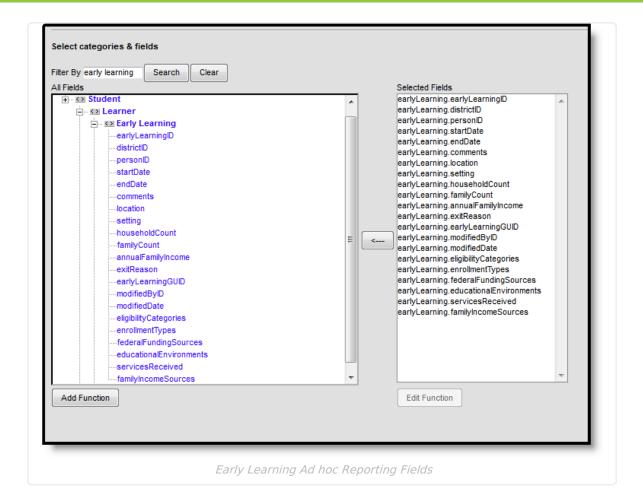

- Read (R) allows the user to view existing Early Learning records
- Write (W) allows the user to edit existing Early Learning records
- Add (A) allows the user to add new Early Learning records
- Delete (D) allows the user to remove Early Learning records

Early Learning Ad hoc Reporting Fields

Create a report that pulls Early Learning elements in the Filter Designer using the Student Data Type. Early Learning elements are located in Student > Learner > Early Learning.

Add an Early Learning Record

1. Click the **New** icon. An Early Learning Detail editor displays.

- 2. Enter the **Start Date** of the record.
- 3. Enter additional values as applicable for the selected student.
- 4. Click the Save icon when finished. The record displays in the Early Learning window.

Early Learning records cannot overlap. If the student's Early Learning service changes, enter an End Date on the current record and repeat the steps above to create a new record with a new start date that notes the new service information.

Print Early Learning Records

Click the **Print Summary Report** icon to generate a PDF view of the Early Learning record(s).
