The Gifted and Talented Tool

The Gifted and Talented Program allows each school to design programs to serve the needs of identified gifted/talented students; these differentiated programs include enrichment activities, acceleration and/or honors classes. Users may create as many Gifted/Talented records for a student as necessary.

Gifted Detail Editor

Gifted and Talented Status

The Gifted Status allows users to indicate student's Gifted/Talented status.

▶ [Click here to expand...](#)

Identified Date

Indicates the date on which Gifted/Talented services start.

▶ [Click here to expand...](#)

Parent Decision

Parental permission is required for a student to participate in the program. Use this field to indicate if services were approved or declined.

▶ [Click here to expand...](#)

Parent Declined Date

If the parent/guardian declines services, indicate the date on which services were declined.

▶ [Click here to expand...](#)

GT Committee Members

This field is used to indicate the members of the committee determining Gifted/Talented status for the student. These are the members who recommend inclusion in the Gifted/Talented program.

▶ [Click here to expand...](#)

Nominating Role Group

Use this field to indicate who nominated the student for the Gifted/Talented program. Users may select as many groups as applicable.

▶ [Click here to expand...](#)

Course/Program Type

The Course/Program Type field is used to deliver Gifted/Talented services. The selections for this field are maintained by the Hawaii Department of Education.

▶ [Click here to expand...](#)

Teacher Completing Worksheet

This field is used at end-user discretion. Users must have user-rights to access this field.

▶ [Click here to expand...](#)

Gifted Program Area

Use this to indicate the area in which the student is gifted/talented. The selections for this field are maintained by the Hawaii Department of Education.

For students who are gifted/talented in multiple areas, create a record for each area in which the student is gifted/talented.

▶ [Click here to expand...](#)

Program Start Date

Indicates the date on which the student began the Gifted/Talented Program.

▶ [Click here to expand...](#)

Program Exit Reason

This field indicates the reason for which the student exited the program.

▶ [Click here to expand...](#)

Program Exit Date

Indicates the date on which the student exited the program.

▶ [Click here to expand...](#)

Program Subject Area

Use the Program Subject Area field to indicate the subject area of concentration for the Gifted Talented Programs of Intellectual/Academic (IA) or Visual/Performance Arts (VP). The selections for this field are maintained by the Hawaii Department of Education.

▶ [Click here to expand...](#)

Projected Contact Minutes/Week

This field indicates the number of instructional minutes of Gifted/Talented instruction is provided. Students should receive at least 90 minutes of service each week.

▶ [Click here to expand...](#)

Subject Area Other

Use the Subject Area Other field to describe the subject area if the *Program Subject Area* is **5: Other**.

▶ [Click here to expand...](#)

Program Description Details

Use this field to indicate the elements that are included in the identification process and program dimensions. Users should be sure to include the following information: Program Area, Program Description (subject area, number of minutes/week for instruction, grade level, program type), and Criteria used in the screening process (matrix of instruments and measures).

▶ [Click here to expand...](#)

Selection Criteria Type

Use this field to indicate all the items used in screening the student for inclusion in the Gifted/Talented program. The selections for this field are maintained by the Hawaii Department of Education.

▶ [Click here to expand...](#)

Selection Criteria Name

Use this field to enter a name for the Selection Criteria used.
