[General Enrollment Information](#) | [State Reporting Fields](#) | [Special Education Fields](#)

**Classic View:** [Student Information](#) > [General](#) > [Enrollments](#)

**Search Terms:** Enrollments

The Enrollments tool displays all current and historical occurrences of a student's enrollment in a district.

By default, enrollment records are listed first by grade level, then by enrollment start date. To reorder the list of enrollments, click the blue hyper-linked headers in the Enrollments Editor list. The list of enrollments can be sorted by Grade, Calendar, Start Date or End Date.

See the core [Enrollments](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Enrollment records.

## State Reporting Fields

**PATH:** Student Information > General > Enrollments > State Reporting Fields Editor

The State Reporting Fields editor contains data elements used in state reporting extracts and federal reporting.

Several state reporting fields have been moved to and now report from the [State Reporting Tab](#).
