The Credit Summary tool displays the total amount of credits that are listed on the student’s transcript based on [credit](#) defined in the school.

Student GPA information also displays. For more information on GPAs, see the [GPA Calculations in Campus](#) article.

The screenshot shows the 'Credit Summary' tool interface. At the top, there is a green header with the 'Infinite Campus' logo. Below the header, the title 'Credit Summary' is displayed with a star icon. A breadcrumb trail reads 'Student Information > General > Credit Summary'. There are two buttons: 'Documents' and 'Credit Summary'. The main content area is titled 'Transcript Credit Summary' and contains the following data:

Courses in a Selected Credit Group

Users have the ability to view all courses within a credit group by selecting a credit group on the left-hand side of the screen.

Once a credit group is selected, a list of all courses within the calendar within the credit group are displayed. This feature is useful when attempting to identify other courses a student may take to fulfill credits within the specific credit group. To return to the previous screen, select the Credit Summary tool.

Credit Group Totals

To view a list of all courses the student has taken within a specific credit group, select a **Total** on the right-hand side of the editor. A detailed screen describing course and credit information displays, which looks very similar to the student's Transcript, but only shows courses from the selected credit group.

To return to the previous screen, select the Credit Summary tool from the Index or search for the tool.
