The State Seal Information section allows you to add State Seal records to a student's graduation record.

The screenshot shows the Infinite Campus interface for a student's graduation record. At the top, there is a search bar and navigation links for 'Student', 'General', and 'Graduation'. Below this, there are 'Save' and 'Documents' buttons. A note indicates that certain fields (Date First Entered the 9th Grade, NGA Cohort End Year, NCLB Cohort End Year) can only be filled out after 9th grade. The 'Graduation Detail' section shows 'School District' set to '109'. Below that are expandable sections for 'General Graduation Information' and 'State Reporting Graduation Fields'. The 'State Seal Information' section is expanded, showing a table with columns for 'State Seal of Biliteracy', 'Date Earned', and 'Language'. One record is visible: '1: Distinguished Missouri Seal of Biliteracy' earned on '05/01/2017' in 'ABKHAZIAN (ABK)' language. An 'Add State Seal' button is at the bottom of this section.
