Status <i>i.e. Complete, Not Needed, etc.</i>	<p>Changes the status of the editor.</p> <ul style="list-style-type: none"> • Complete indicates the editor is finished. This makes the editor read-only. However, this does not lock the editor from further editing. To further edit after an editor is marked Complete, the user must click In Progress. • Not Needed indicates the editor does not apply to the student's plan. This makes the editor read-only. However, this does not lock the editor from further editing. To further edit after an editor is marked Not Needed, click the In Progress button. • In Progress only displays when the editor is in the Complete or Not Needed status and allows additional edits to be made.
Print	Prints the entire plan.
Editors	Opens a side panel listing all the available editors and their status. Select an editor from this list to navigate to that editor or click Close to collapse the side panel.
Previous	Navigates the user to the previous editor.
Next	Navigates the user to the next editor.

Editor Types

There are two types of editors available: List or Basic editors. When navigating to a Basic editor, the list of fields within the editor display. List editors display a list of all records within that editor. Clicking an existing record or the New button opens the detail view for an individual record. An example list editor is the **Goals and Objectives** editor.

Padlock Icon

Only one user at a time can actively work on an editor. A person with a padlock icon  displays in the Editors side panel, Editor Home, and List Screen of list editors indicating which editors currently have users working on them. Hovering over the icon displays the name of the user who has checked out the editor, including the current user (you).

Editors that are currently being edited are read-only for all other users. The name of the person working on the editor displays in the header. Once the editing user navigates away from an editor, that editor becomes available to work on.

Template Banks

Certain fields within several editors have a paper icon  that displays next to their name. When the icon is clicked, a side panel displays with the available library of predetermined text for that field. [Template Banks](#) are managed in System Administration.
