**Classic Path:** [Student Information](#) > [Special Ed](#) > [General](#) > [Documents](#)

**Search Terms:** [Special Ed Documents](#)

The Individual Education Program (IEP) or Evaluation team uses the Evaluation to document the student's educational needs and the student's determination of eligibility for special education.

The current print format of the Evaluation is the **ME ESR 2020** format. Evaluation formats are selected in [Eval Types](#).

The screenshot shows the 'Documents' tab selected in the software interface. The top navigation bar includes 'Summary', 'Team Members', 'Documents', 'Contact Log', and 'State Reporting'. Below the navigation bar are buttons for 'Save', 'Save & Continue', and 'Print'. The main content area is divided into two panes. The left pane, titled 'Evaluation Outline', lists various sections: Student Information, Student Demographics, Parent/Guardian Demographics, \*\*Parent/Student Comments, Assistive Technology/Services, Academic Achievement, Communication, Developmental, Functional Behavior Assessment, Physical, Social/Emotional, Transition, \*\*Observations, Behavioral, \*\*Classroom Based Assess., Psychological, Other, Eligibility Determination, Recommendations, Not Eligible, Dissenting Report, and Evaluation Report Notes. The right pane, titled 'Student Information', contains a warning message: 'The ability to lock or mark a document as complete has been relocated to the main view of the Documents tab, outside of the evaluation editors.' Below this are three fields: '\*Evaluation Date' with a date picker set to 05/31/2018, '\*Evaluation Type' with a dropdown menu, and '\*Date Consent Received' with a date picker.

## Maine Evaluation editors

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation summary report, including the documentation of eligibility, is given to the student's parents by the school district.

## Evaluation Editors

The following table lists the editors available on the student's Evaluation, a Description of what the editor is used for and any special considerations and instructions for using the editor.

Editor	Description	Special Considerations and Instructions
--------	-------------	---

Editor	Description	Special Considerations and Instructions
<b>Student Information</b>	The Student Information editor is used to define the appropriate evaluation type and corresponding dates.	The ability to lock or mark a document as complete has been relocated to the main view of the Documents tab, outside of the evaluation editors. This editor must be saved before moving on to other editors.
<b>Student Demographics</b>	The Student Demographics editor includes student data entered in the <a href="#">Demographics</a> tool.	Clicking <b>Refresh Student Information</b> synchronizes the information in the editor with the current information entered on the <a href="#">Demographics</a> , <a href="#">Households</a> , <a href="#">School</a> and <a href="#">Enrollments</a> tools.
<b>Parent/Guardian Demographics</b>	The Parent/Guardian Demographics editor includes guardian data entered in the <a href="#">Demographics</a> tool.	Clicking <b>Refresh Guardian Information</b> synchronizes the information in the editor with the current information entered on the <a href="#">Demographics</a> , <a href="#">Households</a> , <a href="#">School</a> and <a href="#">Enrollments</a> tools.
<b>**Parent/Student Comments</b>	The Parent/Student Comments editor is used to document any evaluation information provided by the parent and/or student and any implications on the student's educational planning based on these comments.	These comments must be addressed by the evaluation team in the evaluation. This is a required editor.
<b>Assistive Technology/Services</b>	The Assistive Technology/Services editor is used to document any evaluations, results, or Implications for Educational Planning where technology and/or services were used to assist the student.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>Academic Achievement</b>	The Academic Achievement editor is used to document the student's accomplishments in school.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.

Editor	Description	Special Considerations and Instructions
<b>Communication</b>	The Communication editor is used to document communication between the student and the IEP team.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>Developmental</b>	The Developmental editor is used to document the student's developmental evaluation.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>Functional Behavior Assessment</b>	The Functional Behavior Assessment editor is used to document the student's functional behavior evaluation.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>Physical</b>	The Physical editor is used to document the student's physical evaluation.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>Social/Emotional</b>	The Social/Emotional editor is used to document the student's social/emotional evaluation.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>Transition</b>	The Transition editor is used to document the student's transition to post-school life evaluation.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>**Observations</b>	The Observations editor is used to document any evaluations, results, or Implications for Educational Planning where additional observations were collected.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon. This is a required editor.
<b>Behavioral</b>	The Behavioral editor is used to document the student's behavioral evaluation.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>**Classroom Based Assess.</b>	The Classroom Based Assess. editor is used to document the student's classroom assessment.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon. This is a required editor.

Editor	Description	Special Considerations and Instructions
<b>Psychological</b>	The Psychological editor is used to document the student's psychological evaluation.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>Other</b>	The Other editor is used to document any other comments related to the student's evaluation.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon.
<b>Eligibility Determination</b>	The Eligibility Determination editor is used to identify all disabilities that apply to the student based on the results of the evaluation.	N/A
<b>Recommendations</b>	The Recommendations editor is used to identify the services and related services recommended by the IEP team based on the student's eligibility determination.	N/A
<b>Not Eligible</b>	The Not Eligible editor is used to identify if the student is determined to be ineligible to receive special education services	N/A
<b>Dissenting Report</b>	The Dissenting Report editor is used to identify if a member of the IEP team has a contrary opinion concerning the student's eligibility status.	N/A
<b>Evaluation Report Notes</b>	The Evaluation Report Notes editor is used to document notes related to the evaluation not captured in other editors.	N/A
