The editors available on the Individual Education Plan provide all required information by the State of Nebraska. Editors and fields are listed below. Included here are instructions on entering data into Campus and references to state-defined guidelines.

The current format of this document is the **NE IEP 2022**. Plan formats are selected in [Plan Types](#).

Individual Education Plan Editors

The following table lists the editors available on the student's Individual Education Plan, the section(s) of the print format that include the entered information, a description of what the editor is used for and any special considerations and instructions for using the editor.

| Editor Name | Description | Special Considerations and Instructions |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Education Plan | The Education Plan editor includes general meeting information and lists the dates associated with the plan, such as dates the plan is active. | This editor must be saved before continuing to other areas of the plan. The Creation and Modification information for the plan appears at the bottom of this editor. |
| Enrollment Status | The Enrollment Status editor reports Special Education information from the student's Enrollment. | Clicking Get Special Ed Status from Enrollment synchronizes the information in the editor with the most recent information from the student's Enrollments tool. There are three versions of this editor. Best practice is to use the third one. This editor fetches special education data from the student's Enrollment, values which can be edited in the IEP. If values are modified, the student's Enrollment will be updated based on the IEP when saved. |

| Editor Name | Description | Special Considerations and Instructions |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Student Demographics | The Student Demographics editor populates basic information about the student such as demographic data, address and school information. | Clicking Refresh Student Information synchronizes the information in the editor with the most recent information about the student, from the Demographics , Households , Enrollments and School Information tools. |
| Parent/Guardian Demographics | The Parent/Guardian Demographics Editor populates based on established student/guardian relationships created on the student's Relationships tool or indicated by the guardian checkbox on the Households tool. The editor includes Demographics information for the student's guardian. | Clicking Refresh Guardian Information synchronizes information in the editor with the most recent information from the student's guardian's Demographics and Households tools. |
| Team Meeting | The Team Meeting editor lists the team meetings held regarding the student, including individuals who were invited and who attended. | Before team meetings can be added, the student must have team members added on the Team Members tool. The Print in Plan checkbox must be marked for the team meeting to appear on the printed document. |
| Special Factors | The Special Factors editor identifies possible concerns that may interfere with the student's learning, such as behavior issues, limited English proficiency, visual or communication impairments or assistive technology. | N/A |
