The editors available on the Individual Family Service Plan provide all information required by the State of Nebraska. Editors and fields are listed below.

The current format of this document is the **NE IFSP 2022.2**. Plan formats are selected in [Plan Types](#).

The screenshot shows the 'IFSP Editors' interface. On the left is a sidebar menu with the following items: Plan Outline nelf SP22Rev, Education Plan, Enrollment Status, Student Demographics, Parent/Guardian Demographics, IFSP Meeting Dates, Family Concerns and Priorities, Child/Family Strengths, Present Levels of Development, Outcomes, Transition Plan, SPED Services, Transportation/Natural Environment, Other Services/Supports, Home and Community-Based Services/Supports, and Child/Family Team. The main area is titled 'Education Plan' and contains several fields: *Start Date, *End Date, IFSP Mail Date, *Referral to Early Intervention, *Consent for Evaluation, *Date of MDT, Family's language choice, Family would like an interpreter? (Yes/No), Transition Conference Date, Estimated Transition Date, and IFSP Meeting Type (a dropdown menu).

Included here are instructions on entering data into Campus and references to state-defined guidelines.

Individual Family Service Plan Editors

The following table lists the editors available on the student's Individual Education Plan, a Description of what the editor is used for and any special considerations and instructions for using the editor.

Editor	Description	Special Considerations and Instructions
<p>Education Plan</p>	<p>The Education Plan editor includes general meeting information and lists the dates associated with the plan, such as dates the plan is active.</p>	<p>This editor must be saved before continuing to other areas of the plan.</p> <p>The Creation and Modification information for the plan appears at the bottom of this editor.</p>
<p>Enrollment Status</p>	<p>The Enrollment Status editor reports Special Education information from the student's Enrollment.</p>	<p>Clicking Get Special Ed Status from Enrollment synchronizes the information in the editor with the most recent information from the student's Enrollments tool. There are three versions of this editor. Best practice is to use the third one. This editor fetches special education data from the student's Enrollment, values which can be edited in the IEP. If values are modified, the student's Enrollment will be updated based on the IEP when saved.</p>
<p>Student Demographics</p>	<p>The Student Demographics editor populates basic information about the student such as demographic data, address and school information.</p>	<p>Clicking Refresh Student Information synchronizes the information in the editor with the most recent information about the student, from the Demographics, Households, Enrollments and School tools.</p>
<p>Parent/Guardian Demographics</p>	<p>The Parent/Guardian Demographics Editor populates based on established student/guardian relationships created on the student's Relationships tool or indicated by the guardian checkbox on the Households tool. The editor includes Demographics information for the student's guardian.</p>	<p>Clicking Refresh Guardian Information synchronizes information in the editor with the most recent information from the student's guardian's Demographics and Households tools.</p>
