The Individual Education Program (IEP) or Evaluation team uses the Evaluation to document the student's educational needs and the student's determination of eligibility for special education.

The current format of this document is the **NV 2022 Determination of Eligibility**. Evaluation formats are selected in [Eval Types](#).

*Nevada Determination of Eligibility Editors*

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation team report, including the documentation of eligibility, is given to the student's parents by the school district.
