Special Education State Reporting Field Descriptions

Classic View: Student Information > Special Ed > General > State Reporting

Search Terms: State Reporting

The Special Education State Reporting allows users to store and manage student Special Education state reporting data. This tool removes the legal burden of having a Special Education team meeting for an amendment to the setting for age-based changes such as an early childhood student aging out.

See the core Special Education State Reporting article for information on necessary tool rights, available Ad hoc fields, and guidance on adding records.

Special Education State Reporting Editor

In the Campus.2140 Release Pack (September 2021), students who had active enrollments in a 2021-22 calendar with a Primary Disability selected on the Special Ed Fields Enrollment editor were assigned SPED State Reporting records.

Special Education State Reporting Field Descriptions

The following fields are available on the SPED State Reporting Detail editor.

Use the Federal/State Program Updater tool to import SPED State Reporting information to this

tool.

Start Date

The start date of the Special Ed State Reporting record.

Click here to expand...

End Date

The end date of the Special Ed State Reporting record.

Click here to expand...

Disability

The student's primary disability.

Click here to expand...

Secondary Disability

The student's secondary disability.

Click here to expand...

SPED Status

Indicates the student's Special Education Status. This list includes both the Current Status (Active Status) of the student when a record is submitted AND the Inactive Status (Exit Status) of the student when a Special Education record is ended.

Click here to expand...

Special Ed Setting

Indicates the type of school setting in which the student receives Special Education services.

Click here to expand...

Special Ed Funding Source Code

Indicates how the student's special education services are funded.

Click here to expand...

Special Ed Service Code

Indicates what type of service the student receives.

Click here to expand...

Special Ed Transportation Provided

Indicates whether the student is provided transportation to/from special education services.

Click here to expand...

SRS, JJA, Parental Placement

Indicates the person who or the authority that places the student into special education services - Social and Rehabilitation Services, Juvenile Justice Authority or Parents/Guardians.

Click here to expand...
