#### Classic Path: Student Information > Special Ed > General > WA Sped

#### Search Terms: WA Sped

The WA Sped tab allows BIE schools within Washington to store Special Education information for geographic state reporting. Because BIE schools only have access to BIE-specific IEP and Evaluation forms, the WA Sped tool was created to facilitate BIE users in documenting and reporting WA-specific IEP or Evaluation records.

To create a new WA Special Education record:

- 1. Select the **Add SPED Record** button. The WA Sped Detail editor will appear below.
- 2. Enter the **Start Date**. This is the first day the record will be considered active.
- 3. Enter the S**PED Start Date**. This is the date the student began receiving special education services.
- 4. Enter additional applicable data within the remaining fields. See the Field Definitions table below for more information about each field.
- 5. Select the **Save** button. The record is now saved with Campus and will appear within the WA Sped tab for the student.
