Search Terms: Test Setup

This information provides instruction on creating an assessment using achievement standards.

If you are creating an assessment that is intended to use Academic Achievement Standards, see the Proficiency Levels and Achievement Standards to ensure that the appropriate proficiency levels and achievement standards are defined.

Test Detail

*Name
TK English Test

Parent Test
(no parent)

Code Year
13-14

Subject
Writing

Test Grade Level
11: 11th Grade

 District Test Teacher-scored
 State Test Display in Portal
 National Test Display in Transcripts

Select the score fields you want to use:
 Date Scale Score Raw Score Reason Code Received Accommodation
 Percentile Percent Normal Curve Equivalent Result Invalid

Academic Achievement Standard
TK Test

Alternate Assessments

An alternate assessment is a test created to reflect changes to the way a student is administered the test.

1. Select the **New Test** button.
 2. Enter a **Name** for the test.
 3. Select the **Alt: Alternate** option from the Assessment Type field.
 4. Select the appropriate option from the **Standards Type** field.
 5. Select the appropriate **Academic Achievement Standards**. This will list all active academic achievement standards.
 6. Select the appropriate **Standards Type** from the dropdown menu.
 7. Select the appropriate **Academic Achievement Standards** from the dropdown menu that is populated with the **Standards Type**. If a Standards Type of R: Grade Level is selected, the Academic Achievement Standards dropdown menu will only display those standards defined for the Grade Level.
