When the General Assessment Type is selected, the Standards Type field will become inactive. The Academic Achievement Standards field will become active, listing all active Academic Achievement Standards.

Users will still need to select the score fields to use and create Result Statuses.

Create a General Assessment

- 1. Select the New Test icon. A Test Detail editor will appear.
- 2. Enter a **Name** for the test.

- 3. Select the **GEN: General Assessment** option from the Assessment Type.
- 4. Select the other options for this new test as appropriate.
- 5. Select the **Save** icon when finished.
