## Important Information About this Tool

- Secondary Activity Owners only have a read-only view of the activity to which they are assigned unless they are the creator of the proposed activity. The Remove and Recall buttons will not display for them even if they are given the Delete tool right.
- When a Primary Owner is not the person who created the activity and changes the Primary Owner to another person, they will not have access to the activity after they save their changes.
- When a Primary Owner is not the person who created the activity and adds themselves as the Activity Owner (Secondary), they will only have read-only access to the activity after they save their changes.
- Activities that are **In Review** cannot be edited.
- Declined activities appear in the **Previous** area with the status **Declined** and comments from the reviewer.
- Returned activities appear in the **Proposed** area, can be edited, and can be re-submitted for approval.

# View Activities

The initial view provided by the Activity Dashboard is a summary view of all Current activities. However, you can view other activities by using the following options.

## Create and Submit an Activity Proposal

You must have Add rights for the Activity Dashboard to complete these steps.

- [Step 1. Create Activity](#)
- [Step 2. Build Roster](#)
- [Step 3. Form Selection](#)
- [Step 4. Portal Information](#)

- [Step 5. Finish](#)

## Step 1. Create Activity

The first step is to define parameters for the activity. To add an activity, click the **New** button in the action bar.

► [Click here to expand...](#)

Use the following field descriptions to complete the Create Activity screen.

Field	Description
<b>Activity Name</b>	<p>A name for the activity you are creating. <i>This is a required field.</i></p> <p>The Activity Name can be changed until registration is closed. If you have already associated a Product with this activity and the product has the same name, Campus gives you the option to change the product name too.</p> <p>Please note that if you change the Activity Name, any completed purchases/registrations that exist when you change the name will still use the original name (name at the time the purchase was made) in School Store reports.</p>
<b>Type</b>	<p>The activity Type is provided by Campus. Options include the following:</p> <ul style="list-style-type: none"> <li>• Activity</li> <li>• Athletics</li> <li>• Field Trip</li> </ul> <p><i>This is a required field.</i></p>
<b>Activity Level</b>	<p>Activity Levels are another way to identify different kinds of activities. This field only displays in if you have added Activity Levels in the <a href="#">Attribute Dictionary</a> and is optional unless the <b>Required</b> checkbox is also marked in the Attribute Dictionary.</p>
<b>International</b>	<p>The <b>International</b> checkbox only displays when the activity <b>Type</b> is <i>Field Trip</i>. If your district uses the <a href="#">Preapproval process</a>, marking this checkbox ensures Campus routes your activity request to the correct approver(s).</p>
<b>Status</b>	<p>The Activity status. This is a read-only field.</p>
<b>School(s)</b>	<p>The school(s) to which you can associate the Activity. Only schools to which you have tool rights display. <i>This is a required field.</i></p>

Field	Description
<b>Activity Owners (Primary)</b>	<p>The primary person(s) responsible for the Activity. To appear in this field, the person must have an active assignment in the selected school and</p> <ul style="list-style-type: none"> <li>the <b>Activity Staff</b> checkbox marked on their <a href="#">District Assignment</a></li> <li>OR</li> <li>be assigned the <b>Activity Staff</b> role on their <a href="#">Work Assignment</a> (HR Only).</li> </ul> <p>You may select more than one person in the field.</p> <div style="background-color: #f0f0f0; padding: 10px; margin-top: 10px;"> <p>For access to attendance and messaging options, the person must also have <b>Teacher</b> marked on their District Assignment or be assigned the <b>Teacher</b> role on their Work Assignment (HR Only).</p> </div> <div style="background-color: #fff9c4; padding: 10px; margin-top: 10px;"> <p>When a Primary Owner is not the person who created the activity and changes the Primary Owner to another person, they will not have access to the activity after they save their changes.</p> <p>When a Primary Owner is not the person who created the activity and adds themselves as the Activity Owner (Secondary), they will only have read-only access to the activity after they save their changes.</p> </div> <p><i>This is a required field.</i></p>
<b>Activity Owners (Secondary)</b>	<p>The secondary person(s) responsible for the Activity. To appear in this field, the person must have an active assignment in the selected school and</p> <ul style="list-style-type: none"> <li>the <b>Activity Staff</b> checkbox marked on their <a href="#">District Assignment</a></li> <li>OR</li> <li>be assigned the <b>Activity Staff</b> role on their <a href="#">Work Assignment</a> (HR Only).</li> </ul> <p>You may select more than one person in the field.</p> <div style="background-color: #f0f0f0; padding: 10px; margin-top: 10px;"> <p>For access to attendance and messaging options, the person must also have <b>Teacher</b> marked on their District Assignment or be assigned the <b>Teacher</b> role on their Work Assignment (HR Only).</p> </div> <p>Secondary Activity Owners only have a read-only view of the activity to which they are assigned unless they are also the creator of the proposed activity. Secondary owners on an activity do not have the <b>Remove</b> button for delete/cancel functions even if the Delete tool right is assigned.</p>
<b>Registration Open Date</b>	<p>The first day on which the Activity displays in the School Store and people can register for the Activity. The date must be prior to the Activity Start Date and Registration Close Date. <i>This is a required field.</i></p>

Field	Description
<b>Registration Close Date</b>	The last day on which the Activity displays in the School Store. The date must be after the Registration Open Date and prior or equal to the Activity End Date. If you do not enter a date, Campus automatically uses the Activity End Date.
<b>Activity Start Date</b>	The date on which the Activity begins. The date cannot be prior to the Registration Open Date or after the Activity End Date. <i>This is a required field.</i>
<b>Activity End Date</b>	The date on which the Activity ends. The date cannot be prior to the Activity Start Date or Registration Close Date. <i>This is a required field.</i>

## Step 2. Build Roster

Define eligible participants by selecting a saved Ad Hoc filter and/or entering a description of the group.

▶ [Click here to expand...](#)

Use the following field descriptions to complete the Build Roster screen.

Field	Description
<b>School(s)</b>	This field displays the school(s) that were selected in Step 1 - Create Activity.
<b>Description of group to be created</b>	A description of the eligible participants.
<b>Ad Hoc Filter</b>	The Ad Hoc filter for selecting eligible students. Campus only allows students who are included in the Ad Hoc filter to register for the activity. If you do <b>not</b> have rights to Ad Hoc, this field does not display.
<b>Preview</b>	Click this button to preview roster information in a side panel. The panel displays an estimate of the total number of students listed by school then provides the student's names. If a student has multiple enrollments and Campus cannot identify the primary enrollment, an asterisk (*) displays behind the student's name.  If you do not have access to ad hoc or to the ad hoc filter that is assigned to the activity by a reviewer, the <b>Preview</b> button does not display.

## Step 3. Form Selection

Select the appropriate forms for registration and indicate whether the form is considered required. Forms must be active during the full registration period to be selected.

▶ [Click here to expand...](#)

Use the following field descriptions to complete the Form Selection screen.

Field	Description
<b>Activity Type</b>	This field displays the Activity Type that were selected in Step 1 - Create Activity. <ul style="list-style-type: none"> <li>• Activity</li> <li>• Athletics</li> <li>• Field Trip</li> </ul>
<b>Registration Dates</b>	This field displays the Registration Dates that were selected in Step 1 - Create Activity.
<b>Form Title</b>	This field displays the <a href="#">custom forms</a> associated with the Activity Type. This field is required unless you mark the <b>Additional Forms Pending</b> checkbox. You can add multiple forms by clicking the <b>Add Form</b> button. <div style="border: 1px solid #ccc; padding: 10px; margin-top: 10px;"> <p><b>Tip:</b> If the form title is grey and cannot be selected, check the form's active dates. The form must be active for the full time that your activity has registration open.</p> </div>
<b>Additional Forms Pending</b>	Mark this checkbox if you are not ready to select forms or have additional forms you want to add later. When this checkbox is marked, the Activity cannot be approved. Campus requires the approver in the Activity Monitor to Return the proposed activity to you so that you can add the forms or they can Decline the activity. You can mark this checkbox and have custom forms associated at the same time.
<b>Required</b>	Mark this checkbox to display a red star next to the form in the School Store. The following image demonstrates how this appears in the store. <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p><b>Forms to be completed (required forms indicated with "*" )</b></p> <p><a href="#">Student-Athlete Statement *</a></p> <p><a href="#">Transportation Form</a></p> </div>

## Step 4. Portal Information

On this screen, configure how the activity should display in the School Store and set up the associated costs.

► [Click here to expand...](#)

Field	Description
<b>Image Upload</b>	This option allows you to add a picture of the product.
<b>Consent</b>	Marking this checkbox indicates that you are aware of the Acceptable Use Policies of your district and Infinite Campus.

Field	Description																				
<b>Product Description and Special Instructions</b>	<p>Detailed information about the product. This description appears below the picture of the product.</p> <div style="background-color: #e1f5fe; padding: 10px; border: 1px solid #ccc;"> <p><b>Tip</b> Use this area to provide more information about the activity like meeting times, locations, and contact information. You could also provide special instructions such as how to turn in the forms.</p> </div>																				
<b>Associated Costs</b>																					
<b>Item Name</b>	<p>The Product Name automatically displays here but can be changed. <i>This is a required field.</i></p> <p>If more than one option is available for users to select, this is the name of the option that displays under the Product in the School Store.</p>																				
<b>Selling Price</b>	<p>The price customers see and pay in the School Store. The price can be \$0.00. <i>This is a required field.</i></p>																				
<b>Reduced Price</b>	<p>The price students with reduced eligibility status pay and see in the School Store. The price can be \$0.00.</p> <p>To use this feature, the <b>Allow Free and Reduced Pricing</b> checkbox must be marked in the <a href="#">School Store</a> setup.</p>																				
<b>Free Price</b>	<p>The price students with a free eligibility status pay and see in the School Store. The price can be \$0.00.</p> <p>To use this feature, the <b>Allow Free and Reduced Pricing</b> checkbox must be marked in the <a href="#">School Store</a> setup.</p>																				
<b>Add (button)</b>	<p>Click the <b>Add</b> button to add another item that may be purchased for this product. ## Step 5. Finish

You can **NOT** complete this step if your activity requires preapproval. See the [Submit an Activity Request for Preapproval](#) topic for more information.

Review how the Activity Registration product will display for the Campus School Store. Click **Finish** to complete creating the activity and submit the activity for approval. A Notification is sent to users

who have Activity Approval tool rights.

After you click Finish, the Activity is in a **Pending** status until the review begins. While it is Pending, you can **Edit** the activity or **Recall** the activity. Once your proposed activity is **In Review**, you cannot make changes.

▶ [Click here to expand...](#)

## Recall a Proposed Activity

After you submit a proposed activity for approval, the activity is in a **Pending** status until the review begins. While it is Pending, you can **Edit** the activity or **Recall** the activity. When you Recall a proposed activity, you can delete the activity or rescind your request. When you rescind your request, the activity status returns to **Draft - Proposal** and you can make any necessary changes before re-submitting the activity for approval. Recalling an activity removes the activity from the [Activity Monitor Proposed](#) screen.

Remove and Recall buttons do not display for Secondary Activity owners even if they are given the Delete tool right.

1. Click **Recall**.

### Result

The **Recall Details** panel displays.

2. Select **Delete** to permanently delete the proposed activity or select **Rescind Request** to recall the proposed activity.
3. Click **Remove**.

**Result**

If you selected **Delete**, Campus permanently deleted the activity. If you selected **Rescind Request**, Campus returned the activity to **Draft - Proposal** status and you can make any necessary changes.

## Edit an Activity

You can edit an activity if it is in one of the following statuses: **Draft - Proposal**, **Pending**, **Returned**, **Ready**, **Active - Registration Closed**, or **Registration Open**. To edit an activity, click the **Edit** button. Depending on the filter you are using; i.e., Current, Upcoming, or Proposed, the Activity Builder or the Activity Proposal screens will display and you can make any necessary changes.

Comments are available if a proposed activity is **Returned** (or **Declined**) and may help you

edit your activity.

## Copy an Activity

To save time, click the **Copy** button to copy an existing activity and create a new Activity Proposal. After you click **Copy**, Campus displays the Activity Proposal tool in copy mode. See the [Create and Submit an Activity Proposal](#) topic (above) for details about each step in the Activity Proposal tool.

When you copy an activity, Campus creates a new Activity Proposal by duplicating most of the information from the existing activity.

- Registration and Activity dates are not copied.
- Campus verifies Activity Owners, Ad Hoc filters and Custom Forms are still active and requires you to update that information if necessary.
- You cannot copy an activity if its Status is one of the following: Draft, In Review, Returned, Declined, Cancelled, or any state of Preapproval.
- You must have **Add** rights for the Activity Dashboard to copy an activity.
- Once you start the Copy process, progress is not saved. So, do not stop until you have finished.
- You can **NOT** finish copying an activity if your activity requires preapproval. See the [Submit an Activity Request for Preapproval](#) topic for more information.
