Print an individual meeting beforehand to take notes, or print afterwards for record-keeping purposes.

To print a meeting, click on the meeting in your calendar and then click **Print**.

If you own the meeting or have meeting administrator tool rights, options display for **Limited Print** or **Full Print**. The report can be generated as either a **PDF** or **DOCX** format.

Limited Print includes only the date and location of the meeting and a space for taking notes on the Agenda. This format could be useful for distributing to students or mailing to participants who don't have a Portal account or an email address.
