Personal Learning Plans are documents describing the educational modifications put in place for an individual student to accommodate that student's individual needs, as determined by an evaluation. PLPs are made up of a collection of editors. Plan Types are established by selecting which editors should be included in a specific plan based on district preferences and state requirements.

Plan types can be edited by clicking on an existing Plan Type on the list, making the desired modifications and clicking **Save**.

Plan Types Editor

The Plan Types editor contains three sections.

- Plan Types List lists all active and inactive plan types. This list is populated when plan types are saved.
- Plan Types Detail describes the selected plan type, including the name of the plan, whether it's an active plan, any administration-entered comments about the plan and any information that displays when selecting the plan for assignment to a student.
- Plan Type Editor Detail indicates which editors and in which order those editors display on the plan.

Field	Description				
Print Format Required	Selection determines which print format is used when generating a printed view of the selected plan.				
Abbreviation Required	Indicates the abbreviation associated with the plan.				
Name Required	Indicates the name of the plan being created.				
Active	When marked, this plan can be chosen from the Create New Document list when adding the plan to a student's Documents tab.				
Comments	Lists any comments associated with the plan.				
User Instruction Text	Text entered in this field appears when creating a new document for a student. It can contain (up to 500 characters) instructions for use, specific rules for case managers, etc. See Image 3 for reference.

- 2. Select the **Print Format**. In most cases, the state or district will mandate which print format should be used for official reporting.
- 3. Enter an **Abbreviation** to identify the type.
- 4. Enter a **Name** for the type.
- 5. Mark the **Active** checkbox to make the plan type appear when creating a new document for a student.
- 6. Enter any **Comments** regarding the plan type.
- 7. Enter any **User Instruction Text** for the plan type.
- 8. Unmark the checkboxs for any **Editors** that should not be included in the plan.
 - Modify any Seq(uence) numbers to change the order in which the editors appear in the document.
 - Unmark the **Active** checkbox to remove an editor from the *printed* document.
 - Clear the **Seq**(uence) using the delete key to remove an editor from the plan type itself.
- 9. Click the **Save** button to save the plan type.
