Letter Showing Qualified Date, Qualifying Courses

When using the Campus Fields for Qualified Date and Qualified Course, and a student qualifies to receive a letter due to absences in many courses (interval is either Course or Course/Term), the MOST RECENT qualification date among the qualifying courses and periods prints on the letter. Note that Course Numbers and Course Names are listed in a comma separated string if the student qualifies for multiple courses; if the student qualifies for only one course the Course Number and Course Name are spliced together.

If a student qualifies in multiple courses for a letter on 08/01, 08/10, 08/15, the qualified date in the letter is 08/15.
