The Military Connections tool tracks parent/guardian data for those who are military personnel. This tool works in conjunction with the [Impact Aid](#) tool, which tracks parents/guardians who are employed at federal sites (armed forces locations, reservation lands, etc.).

Fields vary by state. Please see your state's [State Tools](#) articles for more information on Military Connections procedures in your state.

Military Connections Relationships

Only active Military Connections records are displayed in the table. Active is defined as:

- The End Date field is not populated.
- The End Date field is populated with a date in the Active Year.
- The End Date is in the future.

Records with an End Date prior to the Active Year are displayed in the list editor, and can be edited, but they are not displayed in the table.

Add Military Connections Information

1. Click the **New** icon. A **Military Connections** editor displays.
2. Enter the **Start Date** of the person's status.
3. Select the **Status** from the dropdown list.
4. Select the **Branch** of employment from the dropdown list.
5. Enter the **Student Military Identifier** value (for students only).
6. Enter any **Comments** for this record.
7. Click the **Save** icon when finished. The new record displays at the top of the Military Connections Editor.

When a person's status or Branch or Site changes, modify that record and enter an End Date. A new record needs to be entered with a new start date to capture the new status, new branch or new site. Any new record that is added displays first in the editor. Multiple active records can be entered for a person; the records sort by start date (most recent date first), then by alphabetical order.

The Relationship information only displays active records (no end date or no end date within the current year).

Print Military Connections Records

Click the **Print** icon to generate a report in PDF or DOCX format of the person's Military Connections information.
