

Tool Rights (Employee Self Service)

Last Modified on 10/22/2022 9:47 am CDT

PATH: System Administration > User Security > Users

Tool Rights determine the level of access users have to tools throughout Campus. This article refers to tool rights in abbreviated form (i.e., R, W, A, D or any combination of the four).

The system will not automatically give rights to individuals for these tools except for those who have All Tools and All Calendars selected on their user account.
