A message box states: 'The Fee Wizard was designed to manage Fee Assignments en masse. Select a mode to get started.' The main section is titled 'Select Wizard Mode' and contains five radio button options: 'Create Fee Assignments' (which is selected), 'Exempt/Unexempt Fee Assignments', 'Adjust Fee Assignments', 'Void Fee Assignments', and 'Mark Fee Assignments Uncollectible'. Below the options are four buttons: '< Back', 'Next >', 'Preview', and 'Run Wizard'. At the bottom, there is a section titled 'Fee Wizard Logs' with an empty scrollable text area.

Fees Wizard Logs

The Fees Wizard Logs display the parameters selected each time the Fee Wizard was used through to completion (if a user did not click the Finish or Run buttons for any mode, the log is not

kept). Logs are listed in chronological order with the Fees Mode that was performed. Selecting a log displays the parameters.

In order to view the Fee Wizard Logs, a calendar must be selected in the Campus toolbar.
