## Important Information about This Tool

- Patrons do not need to be *served* meals at the school in which they are enrolled as long as the number is *recorded* under the student's correct enrolled school.
- Deleting a Count Detail record deletes the entire record which includes each count that was

entered.

- After a meal count is saved, only the **Count** and **Comment** fields can be changed.
- Information entered in this tool is reported in the [Edit Check Report](#).

## Enter a New Tally Meal Count

To enter a new Tally Meal Count, click the **New** button in the action bar. The Count Entry screen displays. Use the following field descriptions to complete the Count Entry screen.

**Tally Meal Count**

**Year \***  **Enrollment Location \***  **Calendar \***

**Meal Served Date \***  **Reimbursable Meal \***

**Comments**

**Count Detail** Total: 0

Meal Count *	Pick Up Location	Updated By	Updated On
<input type="text"/>	<input type="text"/>		

Field	Description
<b>Year</b>	The year in which the meal was served.
<b>Enrollment Location</b>	The school for which counts are being entered. Enter meals according enrollment location and <b>NOT</b> distribution location. This field includes schools for which there is a Calendar for the selected Year. This field is required.
<b>Calendar</b>	The calendar associated with the school and selected year. This field is required.
<b>Meal Served Date</b>	The date on which the student ate or is eating the meal. This field is required.
<b>Reimbursable Meal</b>	The purchasable item that was served. Only reimbursable meal items are available. This field is required.
<b>Comments</b>	Any additional information you want to include.
<b>Count Detail</b>	

Field	Description
<b>Meal Count</b>	The total number of meals served on the specific Meal Served Date. This field is required.
<b>Pick up Location</b>	The location where the meals were served.
<b>Updated by</b>	The system generated user name of the person adding or editing the record. ( <i>read-only</i> )
<b>Updated Date/Time</b>	The system generated date and time the record was added or edited. ( <i>read-only</i> )
<b>Remove</b> (button)	When you click this button, Campus removes the row from the record.
<b>Add</b> (button)	When you click this button, Campus adds a new row to the Count Detail editor. This allows you to enter a record for another pick up location.

## Edit a Tally Meal Count

After a meal count is saved, only the **Count** and **Comment** fields can be changed.

1. Select the meal count you want to edit.

### Result

The Count Detail displays.

2. Edit the **Count** field.
3. Click the **Save** button in the action bar.

## Add a School to an Existing Meal Count

1. Select the meal count.

### Result

The Count Detail displays.

2. Click the **Add** button in the *Count Detail* section.

### Result

A new row displays.

Count Detail Total: 95
