Classic View: FRAM > FRAM Preferences > Verification Preferences

Search Terms: Verification Preferences

Settings on the Verification Preferences tab allow you to set default values/options to be used in letters sent to guardians of households whose applications are being verified.

All preferences are tied to and impact the [Verification](#) tool.

The screenshot shows the 'Verification Preferences' page in the Infinite Campus system. At the top, there is a green header with the Infinite Campus logo and a hamburger menu icon. Below the header, the page title 'Verification Preferences' is displayed with a star icon, followed by a breadcrumb trail: 'FRAM > Setup > Verification Preferences'. A blue 'Save' button is located at the top left of the main content area.

The main content area is titled 'Verification Preferences' and contains several sections:
