The Course Standards Report lists standards of learning assigned to the courses in the selected calendar. It can be generated one of four ways:

- Standards assigned to each course
- Courses offering each standards
- Standards that are NOT assigned to courses
- Courses that are NOT assigned standards

The screenshot shows the 'Course Standards Report' interface. At the top, there is a green header with the Infinite Campus logo and a search icon. Below the header, the title 'Course Standards Report' is displayed with a star icon. A blue bar below the title contains the text 'Course Standards Report'. Underneath, a white box contains the text: 'This report will list the Standards associated with each Course.' The main content area is a light gray box with the following sections:

- Report Type**
 - List Standards offered for each Course
 - List Courses offering each Standard
 - List Standards not associated with Courses
 - List Courses without associated Standards
- Other Options**
 - Only Display Power Standards
 - Include Course GPA Weight
- Report Format**
 - PDF (dropdown menu)

At the bottom of the gray box is a 'Generate Report' button. Below the screenshot, the text 'Course Standards Report' is written in a light gray font.

Report Logic

Course standards are created and managed in the [Standards Bank](#) and attached to a course on the [Courses Standards](#) tool. The report is generated based on the Year and School selected in the Campus Toolbar.

The report options refer to certain selections on the standard, like the Power Standard and Archived checkboxes.

Standards Editor - Power Standard, Archived Standard

Course GPA Weight is entered on the Course Information editor (or the Course Master Detail if using Course Masters).
