PATH: *Human Resources > Reports > New Hire Report*

The New Hire Report will extract data regarding newly hired personnel from the Human Resources module between the dates entered on the extract editor. It will also report independent contractors from the Accounts Payable Vendor Master if they have an invoice within the selected date range and the option to include independent contractors is checked. Tool rights to the Vendor Master are necessary to check the independent contractor option.
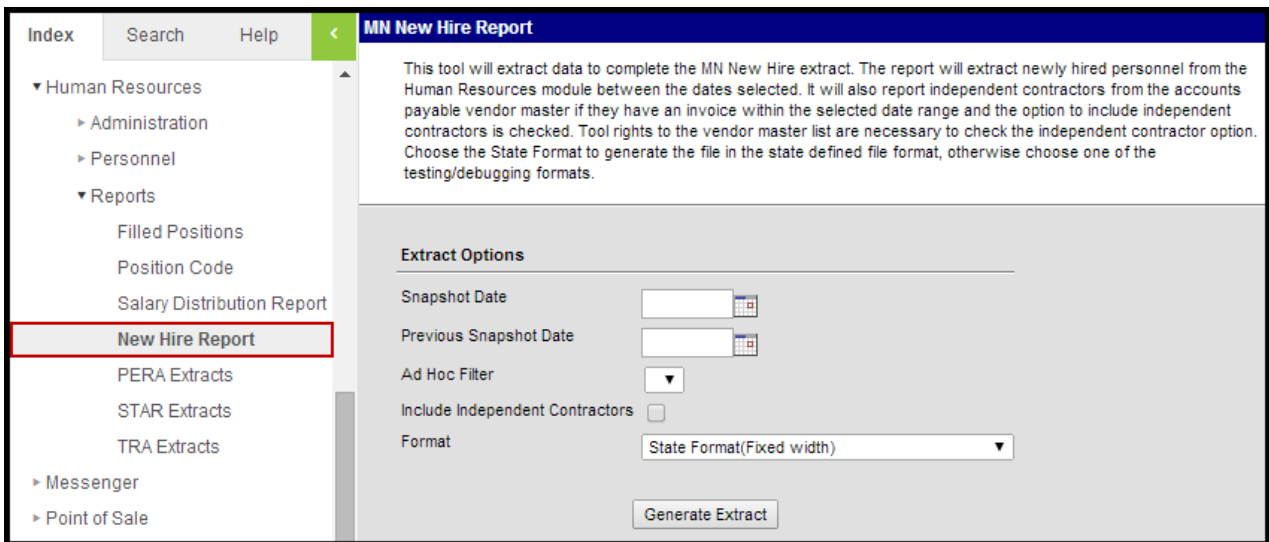

New Hire Report Extract Editor

Report Logic

A record is reported for each staff person in the district with a Hire Date between the Snapshot Date and the Previous Snapshot Date entered in the extract editor.

If the **Include Independent Contractors** checkbox is marked on the extract editor, a record reports for each vendor meeting the following criteria:

- The option 7: Nonemployee Compensation is selected in the 1099 Misc vendor field on the vendor record.
- The vendor is included on an invoice within the date range entered on the extract editor.

Generating the Report

1. Enter a **Snapshot Date** in *mmddyy* format or by clicking the calendar icon and selecting a date.
2. Enter a **Previous Snapshot Date** in *mmddyy* format or by clicking the calendar icon and selecting a date.

3. Select an **Ad Hoc Filter** (optional) to report a record for each person who is included in the filter.

4. Mark the **Include Independent Contractors** checkbox to include independent contractors in the report.

5. Select the desired **Format**. Choose the State Format is submitting data to the state, otherwise choose one of the testing formats to verify data before submission.

6. Click **Generate Extract**. The extract will display in the chosen format.
