

Human Resources State Reports (New York)

Last Modified on 10/22/2022 9:56 am CDT

The following state reports are available for New York users of the Human Resources module.

Report	Description
ERS Extract	This extract reports all ERS Retirement Members within the district who are assigned to ERS as their Retirement Organization.
SIRS Staff Assignment	This report collects data for non-teaching professionals for SIRS data collection.
SIRS Staff Snapshot	This report collects data for teachers and non-teaching professionals for SIRS data collections. School districts, charter schools, and BOCES report staff in this template.
TRS Extract	This report is the method by which participating employers submit salary and contribution data to NYSTRS for each school year.
