

Ed-Fi v3.X - Graduation Plans Resource Preferences

Last Modified on 10/22/2022 9:59 am CDT

Classic View: [System Administration](#) > [Ed-Fi](#) > [Ed-Fi Configuration](#)

Search Terms: [Ed-Fi Configuration](#)

The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

State specific information: [Wisconsin](#)

The following describes how to set the resource preferences for the Graduation Plans resource. If the Configure or Edit buttons do not display, then the resource does not need to be mapped and the toggle button can be used to turn the resource on or off.

If a mapping is changed, a resync must be performed on the resource in order for the new mappings to send correctly.

1. Select the appropriate **Ed-Fi Code** for the Graduation Plan Type Descriptors.

Any item not mapped will not report to Ed-Fi.

Wisconsin

The following describes how to set additional resource preferences for the Graduation Plans resource in Wisconsin. If the Configure or Edit buttons do not display, then the resource does not need to be mapped and the toggle button can be used to turn the resource on or off.

If a mapping is changed, a resync must be performed on the resource in order for the new mappings to send correctly.

1. **For Department of Corrections Only:** Graduation Plans need to be sent both at the district-level and school-level for Wisconsin Department of Corrections only starting with 2021-22 school year. A checkbox at the top of the Graduation Plans resource preferences allows the DoC to report Graduation Plans data by school. Users will need to mark the checkbox, click Save, and then navigate back to the Graduation Plans resource preferences in order to see the updated mappings once the checkbox has been marked.
