## Wisconsin

The following describes how to set additional resource preferences for the Student Section Associations resource in Wisconsin. If the Configure or Edit buttons do not display, then the resource does not need to be mapped and the toggle button can be used to turn the resource on or off.

If a mapping is changed, a resync must be performed on the resource in order for the new mappings to send correctly.

1. Select the appropriate **Ed-Fi Code** for the Attempt Status Descriptors.

Any item not mapped will not report to Ed-Fi.
