SCHR-1: Grades with Students Enrolled

Instructions: Check “Yes” to all grade levels offered at this school where at least one student is enrolled on the Fall Snapshot date.

Category Mapping: Grade Levels

Grade Levels: All Grade Levels

Skip Logic: N/A: All data elements must be answered.

Results & Logic:

Logic

All CRDC Grade Levels will display with results for each grade:

- Show “Yes” next to each grade level offered at this school where at least one student is enrolled in a grade that is mapped to the CRDC Grade Level.
- Show “No” next to all grade levels at this school where no student is enrolled in a grade that is mapped to the CRDC Grade Level.
- Only report students where their enrollment is in the school being reported or the School of Accountability field is set to the reporting school.

Logic

An override column will be next to the results with a droplist next to each grade level that can be set to Yes or No.

Detail Report Logic will display the following information:

- NCES School Number, School Name, Students PersonID, State ID, Name, Grade Name and CRDC Grade Level.

SCHR-2: Ungraded Detail

Instructions: Only for schools/justice facilities that are wholly ungraded. Indicate whether the ungraded school has mainly elementary, middle, and/or high school students on the Fall Snapshot date.

- If the school had a combination of mainly middle and high school students or mainly elementary and middle school students, mark "Yes" for both grade levels.
- If the school had about equal amounts of students in all grades, mark "Yes" for all three.
