The following questions are part of the CRDC - DIND: COVID-Related Directional Indicator questions for CRDC:

Note: Results for the SCHR: School Characteristics module must be generated at least once for a given school prior to independently generating results for other modules.

- DIND-1: Directional Indicator - Instruction Type
- DIND-2: Directional Indicator - Virtual Instruction

DIND-1: Directional Indicator - Instruction Type

Instructions: Enter the best suited option during the school year at this school.

(For all schools and justice facilities, preschool-grade 12, ungraded.)

- A. We offered only in-person instruction with additional safety precautions because of the coronavirus pandemic.
- B. We offered only virtual instruction because of the coronavirus pandemic.
- C. We offered a hybrid of in-person and virtual instruction (e.g., some students received in-person instruction while others received virtual instruction; all students received virtual instruction during the first school semester, but during the second semester, some students received virtual instruction while others received in-person instruction) because of the coronavirus pandemic.
- D. There was no effect on the instruction we offered because of the coronavirus pandemic.

Category Mapping: N/A

Grade Levels: All Grades

Skip Logic: N/A: All data elements must be answered

DIND-2: Directional Indicator - Virtual Instruction

Instructions: Enter the best suited option during the school year at this school.

(For schools and justice facilities that offered virtual instruction only or a hybrid of in-person and virtual instruction.)

A. Students were physically in the school setting, while teachers, who provided these students virtual instruction, were in a remote location.

B. Students were not physically in the school setting (e.g., students were at home or another remote location).

C. A and B.
