Search Terms: Staff History

The Staff History Report provides a list of Courses and Course Sections and assigned Primary Teachers, Teachers and Section Staff based on the effective date entered on the Report editor. The report can be generated to print the following:

- Only sections with staff
- Include sections with staff and without staff
- Only include sections without staff

This information is entered on the [Staff History](#) tool.

Staff History Report

When a teacher is assigned to a Course Section for a specific date range (long term substitute or a temporary assignment), the dates associated with that assignment print. See the [Staff History Date Logic](#) section for guidance on entering Start and End Dates for a staff person.

Report Editor

Report Option	Description
Courses	Select which courses to include in the report. Only active courses are included in the report.

Report Option	Description
Only include sections with staff	This option only returns course sections that have assigned staff as of the effective date.
Include sections with and without staff	This option includes sections that have assigned staff as well as sections that are not assigned staff.
Only include sections without staff	This option includes sections that do not have assigned staff.
Staff Type to Include	Select at least one of the following to include in the report. All staff types are selected by default. <ul style="list-style-type: none"> • Primary Teacher • Teacher • Section Staff
Effective Date	Date entered is used to return staff assigned to the section as of that date. This is not a required field and the report generates without this entered. Leaving this field blank reports on all dates in the calendar.
Report Format	The report can be generated in PDF or DOCX format.

Generate the Report

1. Select the **Courses** to include in the report.
2. Select which type of Course Sections to include - **Only include sections with staff**, **Include sections with and without staff**, or **Only include students without staff**.
3. Select the **Staff Type** to include in the report.
4. Enter an **Effective Date**, if desired.
5. Select the desired **Report Format**.
6. Click the **Generate Report** button.
