Course Section Rosters - Video Series

Last Modified on 10/22/2022 10:02 am CDT

These videos describe the information that can be viewed, accessed, entered or changed for a selected course section's roster.

- Section Roster
- Section Roster Setup
- Section Roster Batch Edit

Section Roster

The Section Roster tool is used to view and print details of a selected course section's roster.

Section Roster Setup

Section Roster Setup may be used to quickly create or change a selected section's roster.

Section Roster Batch Edit

The Section Roster Batch Edit tool can be used to view and manage students already assigned to a selected course section. Students cannot be added to a roster using this tool.
