Filter Display Records

Toggle the buttons under Display Records to view any combination of Previous, Active and Future records.

Add Record For Selected Student(s)

1. Select the **New** button. A side panel displays.
2. Select a student from the **Student(s)** field. (You may select multiple students if desired.)
Note: Overlapping records are not allowed. Records currently existing for the selected student that have no End Date and a Start Date that is before the new Start date will be auto-ended.
3. Enter the appropriate data for the selected student. At least one state reporting field must be

populated to save the record.

4. Click **Save**.

Add Record For Selected Student(s)

Batch Fill Existing Records

1. Select the **Batch Fill** button. A side panel displays.
 - Note:** Batch Fill mass edits existing records. It does not create new ones.
2. Enter the appropriate section data for the desired fields.
3. Select the **Include** check box for fields that will be batch filled.
 - Note:** Including a field with no Fill Value will delete existing data.
4. Select the **Fill Empty** or **Fill All** option. Fill Empty will fill all empty fields in existing records with the included data. The Fill All option will fill all fields with the included data, regardless if data already exists in a field.
5. Click **Save**.
