Manage Documents Uploaded on Custom Tabs

Last Modified on 10/22/2022 10:07 am CDT

PATH: *System Administration > Custom > Custom Tab*

Documents can be uploaded to Custom Tabs (District Version) if the administrator has enabled the document upload feature.

If you delete a custom tab to which documents have been uploaded, Campus provides the following options:

- **Delete**. This option permanently removes all documents uploaded to the custom tab.
- **Move to**. This option allows you to move the documents to the document list for a different Campus tool.
