This functionality is available to districts who have purchased the Multi-Language Editor as an add-on service. For more information, contact the appropriate Client Executive.

Classic Path: System Administration > Data Utilities > Report Module > Custom Comment Tools > Student Comments Translation

Search Terms: Student Comments Translation

The Student Comments Translation tool is used to generate a report of student comments in need of translation or verification.

The screenshot shows a web-based form titled "Grading Score Comments Translation". The form includes the following sections:

- Language:** A dropdown menu with "Spanish" selected.
- Term:** A group of radio buttons for Term 1 through Term 7, with Term 1 selected.
- How would you like the language to be filtered?:** A group of radio buttons for "Student's Home Primary Language" (selected) and "Student's Preferred Language".
- Include:** A group of radio buttons for "Students in need of translations or verifications only" (selected) and "All students with comments (***) Denotes Action Needed".
- Teacher Filter:** A dropdown menu.
- Student:** A dropdown menu.
- Show Student Comments:** A button at the bottom of the form.

Below the form, the text "Student Comments Translation Tool" is displayed in a light gray font.
