# Report String Bank

Last Modified on 10/22/2022 10:09 am CDT

This functionality is available to districts who have purchased the Multi-Language Editor as an add-on service. For more information, contact the appropriate Client Executive.

Classic Path: System Administration > Data Utilities > Report Module > Report Multi-Language Editor > Report String Bank

Search Terms: Report String Bank

The Report String Bank allows the district staff to provide translation or provide additional clarification for options visible on the Custom Report Cards and Transcripts. Options available are based on the active languages created in the Language Groups tool and the parent's/guardian's selected language of choice.
