[eTranscript Workflow](#) | [eTranscript Report Detail and Report Option Editors](#) | [Create an eTranscript Report](#)

**Classic View:** *System Administration > Preferences > Reports (Preferences) > eTranscript (Type)*

**Search Terms:** Report Setup

eTranscripts allow schools to generate an electronic version of student transcripts that can be submitted to post-secondary establishments and third party vendors for use in applying for acceptance into a college or university. eTranscript Report Preferences lets districts determine what and how data is displayed on the eTranscripts.

# eTranscript Report Detail and Report Option Editors

The following tables describe the eTranscript Report Preference editors.

## Report Detail

Field	Description
<b>Name</b>	Indicates the name assigned to the eTranscript report. The name is selected when generating the <a href="#">eTranscript Batch Report</a> .
<b>Type</b>	Indicates which type of report is being created and which options are visible. Select the <b>eTranscript</b> option.
<b>Available In</b>	This field is disabled for eTranscript reports and cannot be selected.
<b>Description</b>	Displays additional information about the eTranscript report. When there are multiple reports, this field may help differentiate the options selected.

## Report Options

Option	Description
--------	-------------

Option	Description
<p><b>GPA/Class Rank Calculation Options</b></p>	<p>GPA/Class Rank Calculation Options determine how GPA and class rank data is displayed on the eTranscript. For each option, the Class Rank and Bonus Points can be selected. When a Weighted GPA or Unweighted GPA option is selected, the Bonus Points and Class Rank checkboxes are available for selection.</p> <p>Selection can be made for <b>Cumulative GPA</b> or <b>Term GPA</b>. When the calendar is associated with <a href="#">custom GPA calculations</a>, <b>Custom GPA/Class Rank Calculation Options</b> can be selected These display as User Defined and display the Custom GPA name on the eTranscript.</p> <p>See the <a href="#">GPA Calculations in Campus</a> article for detailed information on GPA options.</p> <p>The following options are available:</p> <ul style="list-style-type: none"> <li>• <b>Weighted GPA</b></li> <li>• <b>Unweighted GPA</b></li> <li>• <b>Bonus Points</b></li> <li>• <b>Class Rank</b></li> </ul> <p>All GPA/Class Rank Calculation options can be selected, if desired.</p> <p>When this option is selected, Academic Session information reports in the XML output by year, not by term. Therefore, the displayed GPA is for the entire year.</p>
<p><b>Credit Summary Display Options</b></p>	<p>Credit Summary Display Options determines which credit groups/standard groups report. Users may display <b>Earned Credits</b> and <b>Credit Units</b> (Quarter, Semester, Carnegie Units, Continuing Education Units, etc.) for the student's Academic Program or for selected Credit Groups.</p>

Option	Description	
<b>Standardized Testing Display Options</b>	<p>Standardized Testing options allow users to determine what types of tests are displayed on printed eTranscripts and how Standard Group data is laid out on the eTranscript.</p> <ul style="list-style-type: none"> <li>• <b>Display Best Score Only</b> - Displays the highest score for each selected test on the eTranscript. A student may have several scores listed on the <a href="#">Assessment tab</a> that have been taken throughout the year, but only the highest received score prints on the eTranscript.</li> <li>• <b>Report Test Date as Year/Month</b> - Displays the date the test was taken as a year/month (CCYY-MM). If this is not marked, the date displays as CCYYMMDD. <i>This option is required if using Parchment as your eTranscript vendor.</i></li> <li>• <b>National Tests (National Code Defined)</b> - Displays student scores for national tests entered in the <a href="#">Assessment editor</a>. This requires that student scores are listed on the student's Assessment tab. National tests are those assessments that have a Test Type of National Test and a National Code.</li> <li>• <b>State Tests (State Code and Type defined)</b> - Displays student scores for tests entered in the <a href="#">Assessment editor</a>. State tests are those assessment with a State Code and Test Type defined.</li> <li>• <b>District Tests</b> - Displays district-specific test scores entered in the Assessment editor and listed on the student's <a href="#">Assessment tab</a>.</li> </ul>	
<b>Report Display Options</b>		
<b>Source</b>	<b>School CEEB Code</b>	<p>This code is entered on the School Editor and stands for College Entrance Examination Board.</p> <p>This data is automatically selected to be included in the report. If it should not be included, remove the checkmark. Note that many electronic transcript vendors use this code to identify the sending school.</p> <p><i>This option is required if using Parchment as your eTranscript vendor.</i></p>
	<b>Counselor</b>	<p>Prints the name of the counselor assigned to the student via the <a href="#">Team Members tab</a>.</p>

Option		Description
<b>Student</b>	<b>Student's Email</b>	Prints the student's email address.
	<b>Legal Name</b>	<p>Lists the student's legal first name, legal middle name and legal last name, if entered in the <a href="#">Protected Identity</a> information.</p> <p>If this option is marked, and if the user has tool rights to Protected Identity Information, and if the legal first name/legal last name field is populated on the student's Identity record, the full legal name prints.</p> <p>If the legal first name or legal last name is not populated, the student's first name and last name reports from the First Name and Last Name fields on the student's Identities record.</p>
	<b>Legal Gender</b>	<p>Lists the student's legal gender, if entered in the <a href="#">Protected Identity</a> information.</p> <p>If this option is marked, and if the user has tool rights to Protected Identity Information, and if the legal gender field is populated on the student's Identity record, the legal gender prints.</p> <p>If the legal gender field is not populated, the student's gender reports from the Gender field on the student's Identities record.</p>
	<b>Immunization</b>	Lists the student's recorded <a href="#">vaccines</a> .
	<b>Race/Ethnicity</b>	<p>Reports the student's race/ethnicity as entered on the <a href="#">Identities</a> tab.</p> <p>This data is automatically selected to be included in the report. If it should not be included, remove the checkmark.</p>
	<b>Report Comments</b>	Prints the customized text created in the <a href="#">Report Comments</a> tool and marked as active on the student's Report Comments tab. When this preference is selected, the comments print at the very bottom of the XML eTranscript as a Note Message.
<b>SSN</b>	<b>None</b> <b>Partial</b> <b>Full</b>	Reports the student's Social Security number. Choose <b>None</b> to not show the SSN; choose <b>Partial</b> to show the last four digits only; choose <b>Full</b> to show all nine digits. <a href="#">Tool rights</a> are necessary in order for this field to print.

Option		Description
<b>Academic Record</b>	<b>Graduation Cohort Year</b>	Prints the student's NGA Cohort End Year value from the <a href="#">Graduation</a> tab.
	<b>Repeat Course</b>	Indicates if the course has the Repeatable checkbox marked.
	<b>Course Level</b>	Reports the course level or honors code assigned to the <a href="#">course</a> .
	<b>Diploma Date</b>	<p>Reports the Diploma Date entered on their <a href="#">Graduation record</a> reports. This does not indicate whether the student has graduated, just that the field has been populated.</p> <p>This must be selected in order for the diploma date to display in the XML output.</p>
	<b>Diploma Type</b>	<p>Reports the Diploma Type entered on their <a href="#">Graduation record</a> reports. This is the PESC code assigned to the diploma type. This does not indicate whether the student has graduated, just that the field has been populated.</p> <p>This must be selected in order for the diploma type to display in the XML output.</p>
	<b>Diploma Name</b>	If the student has graduated, the Diploma Name entered on their <a href="#">Graduation record</a> reports. This is the school-assigned value (could be General Diploma or. Spring Diploma).
	<b>NCES/SCED Code</b>	<p>Reports the NCES code assigned on the <a href="#">course</a> editor. This is a combination of the scedSubjectArea and the scedCourseID.</p> <p>When this option is marked, the XML output does not report the Course Subject Area Code value.</p>
	<b>In-Progress Courses</b>	Reports course information for courses in which a student is enrolled during the current school year.
	<b>Attendance</b>	<p>Reports the student's attendance information as Days Present and Days Absent.</p> <p>When this option is selected, Academic Session information reports in the XML output by year, not by term. Therefore, the displayed attendance is for the year.</p>

Option		Description
Course Number Display	Course Number	<p>Reports the district or school assigned number of the course, as entered on the <a href="#">course</a> editor.</p> <p>This can be chosen instead of the State Course Code.</p>
	State Course Code	<p>Reports the state code assigned on the <a href="#">course</a> editor.</p> <p>This can be chosen instead of the Course Number.</p>

## Create an eTranscript Report

1. Select the **New** icon. A **Report Detail** and a **Report Options** table will appear.
2. Enter a **Name** for this eTranscript.
3. Select the **eTranscript** option from the **Type** dropdown list.
4. If desired, enter a **Description** for this report.
5. Select all appropriate **Report Options** for the eTranscript. Report Options are separated into different sections relating to a specific aspect of the eTranscript. Refer to the sections below for more information.
6. Click the **Save** icon when finished. The eTranscript is now saved and can be used to generate and submit eTranscripts.

See the [PESC XML Layout](#) for a detailed description of the items included on the eTranscript.
