ADE Connect is a custom tab provided for Arizona School Districts. Users can access online ADE tools and reports based on the permissions defined by the role assigned to them on this tab.

Roles are also assigned in ADEConnect. Districts are responsible for setting up permissions for their staff. [Classes are provided by ADE](#) for districts to learn how to set permissions for appropriate access.

The following roles are available for you to assign on the ADE Connect tab:

- Teacher
- School Admin
- District Admin
- Guardian
- Student
