Reporting Population

Report one record for each section in the selected calendar that has the **21st CCLC** field populated on the course.

- The section must be provided within the date range of the extract editor.
- State Excluded and Inactive courses are not reported.
- If the Start Date is NULL, consider 7/1/YYYY as the default begin of the report time span (with YYYY as the start year of the selected calendar)
- If the End Date is NULL, consider the Current Date as the default end of the report time span

Generate the Report

1. Enter the **Start Date**. If this field is left null, the tool will use 7/1/YYYY as the date (with YYYY being the start year of the selected calendar).
2. Enter the **End Date**. Only CCLC courses active between the start and end date are reported. If this field is left null, the current date is used.
3. Select the report **Format**.
4. Filter data by selecting an existing **Ad Hoc Filter** (optional).
5. Select which calendar(s) will report data.
6. Click **Generate Report** to generate the report immediately or click **Submit to Batch** to schedule when the system will process and generate the report.
