# Understanding the BIE CEIS Report

When the 'Eligible for SPED - CEIS Student Count' or the 'Returned to General Ed - CEIS Student

Count' report types generate, one record will report for the school selected in the tool bar. If 'All Schools' is selected in the tool bar, one record reports for each active school in the file.

## Eligible for SPED - CEIS Student Count

For this report, student counts are determined by students who had an active and locked BIE IEP where Special Ed Status = 03 AND Special Ed Start Date falls within July 1st and June 30th of the Reporting Year selected where the Special Ed Start Date falls AFTER the student's CEIS Program Start Date.
