The BIE Funded and Approved Courses report identifies BIE funded and approved courses that make up the education specifications curriculum in a school's course catalog. This report refers to the information found in the [BIE Course Data](#) section of a course to report.

This report is available to both BIE District Edition and State Edition users.

BIE Funded and Approved Courses

This report identifies BIE funded and approved courses that make up the education specifications curriculum. To generate, select the Year, District and School from the Tool Bar. A Course will report if a selection is made under BIE Core Type and the course has at least one section scheduled in an active term during the selected date range.

BIE Funded and Approved Courses

Report Logic

The BIE Funded and Approved Course report uses the following business logic:

- **A course reports if:**
 - a value has been selected from the **BIE Core Type** field in the **BIE Course Data**

section of the course.

- at least one section of a course is scheduled within the dates entered in the report's Start Date and End Date fields.

The screenshot shows the 'Course Information' form for CourseID 3895. The form is divided into several sections. The 'BIE Course Data' section is highlighted with a red box and contains the following fields:

- *BIE Core Type**: A dropdown menu.
- BIE Approved**: A dropdown menu.
- BIE Funded**: A dropdown menu.

Other visible fields include: *Number (ECEAP), *Name (ECEAP), Subject Type (Not Applicable (NA)), State Code (80000), Department (ECE), GPA Weight (0), AP/IB Code (Select a Value), CIP Code (Select a Value), and various checkboxes for options like 'Standards-based', 'Active', 'External LMS Exclude', 'Course-Only Curriculum', 'Advisory', 'Transcript', 'Required', 'Repeatable', 'Attendance', and 'Positive Attendance'.

Tool Rights

In order to generate this report, users must have at least **R**(ead) tool rights to the BIE Funded and Approved Courses as well as **calendar rights** to any calendar(s) selected.

Read	Write	Add	Delete
Allows users to generate and view the report.	Not necessary to generate the report.	Not necessary to generate the report.	Not necessary to generate the report.

Generate the Report

Generating this report requires a Year/District/School to be selected from the Tool Bar.

1. Enter a **Start Date** and **End Date**. Applicable courses offered on at least one day within the selected date range display.
2. Select preferred **Format** for the report to display (CSV or HTML).
3. Select a **Course Ad Hoc Filter** (optional) to narrow down the course list. Only courses found in the ad hoc that also meet the reporting business requirements display when the report generates.
4. Select '**Generate Report**' or '**Submit to Batch**'. The report displays in the selected format.
