IBIE ISEP Certification Status Report Editor

Report Logic

This report uses the following business logic:

- This report can only be run from the NASIS Edition of Campus.
- One record will be reported for each calendar the user has rights to and is selected on the extract editor.
- The report is run by calendar, ELO, region or calendary type or a combination of all four.

Generate the Extract

- 1. Select a Region.
- 2. Select the **ELO**.
- 3. Select the Calendar Type.

- 4. Select the **Certification Status**.
- 5. Select which calendar(s) to include within the report.
- 6. Select the Format.
- 7. Click the **Generate Report** button. The report will appear in a separate window in the designated format.
