Search Terms: Test Accommodations

The Test Accommodations tab identifies the assessments for which the student requires special accommodations and modifications.

Test Accommodations Tool

Enter Test Accommodations Information

1. Select the **Calendar** of enrollment from the dropdown list. If a school is selected in the toolbar, that school auto-populates in the Calendar field.
2. Select the **Assessment** for which the accommodation applies. Use the scroll bar to locate the assessment, or begin typing the name of the assessment to find matching results.
3. Select the correct **Test Setting** from the dropdown list.

4. Complete the **Accommodations** options as needed.
5. Click the **Save** icon when finished.

Multiple accommodations can be entered for a student. This information reports on the [CALPADS Student Test Settings Extract](#).
