The P-EBT (Pandemic Electronic Benefits) Extract returns data on students who are eligible for SNAP or FRPL and meet the criteria to receive P-EBT.

Report Logic

One record per student who has an enrollment in the selected calendar(s) at any time during the selected Submission period (Fall/Semester 1 or Spring/Semester 2) is included. One record per enrollment reports.

Any attendance event in a period that has a Status of **Absent** and an Excuse of **Excused** (see image on the left below) OR any attendance event that is assigned an Attendance Code that is mapped to the **State Code of 01: PEBT Related Absence** (see image on the right below) is included in the report.

Parent/Guardian and Address information reports as follows:

- The Primary and current household is determined first.
- The current address reports from the primary and current household.
- The individual marked as Guardian in that primary and current household who has the lowest personID reports as the guardian on the report.

Current is defined as the record (household, address, etc.) that is active as of today OR the last date of the submission window, whichever occurs first.

The Primary Parent/Guardian First Name, Primary Parent/Guardian Last Name, and Primary Parent/Guardian Telephone Number fields report even when a student's household does NOT have an address.

Students are not included when:

- The enrollment record is marked as No Show or as State Exclude.
- The grade level of enrollment is marked as State Exclude.
- The calendar of enrollment is marked as State Exclude.
