Early Learning Detail Fields

Classic View: Student Information > Program Participation > Early Childhood

Search Terms: Early Childhood

The Early Childhood tool lists student information related to programs designed to improve the health, social-emotional and cognitive outcomes for all students from birth through third grade, using the federal guidelines.

Early Childhood records cannot overlap, meaning only one active record for a student can exist at any time).

See the core Early Learning article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Early Learning records.
