The Migrant tool captures information for students whose parents/guardians move frequently in an effort to find work or better living conditions. The Federal Migrant Program provides support for these students to be successful in their education.

See the core [Migrant](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Migrant records.

The screenshot shows the 'Migrant Editor' interface. At the top, there is a header with the Infinite Campus logo and a search icon. Below the header, the student's name 'Migrant' is displayed with a star icon, followed by 'Student, Cody' and their details: 'Grade: 04 #123456789 DOB: 08/17/12'. There are also icons for 'Medical', 'LEP', and 'Group 2'. Below this, there are buttons for 'New', 'Save', 'Delete', and 'Print'. The main area is titled 'Migrant Editor' and contains a table with columns for 'MSIX ID', 'Arrival Date', and 'Expiration Date'. The table has one row with the values '123456', '04/01/2021', and an empty field. Below the table is a 'Student Migrant Detail' section with various fields: 'MSIX ID' (123456), 'Last Qualifying Arrival Date' (04/01/2021), 'From State' (CO: Colorado), 'Migrant COE Status Indicator' (Y: Yes, Approved), 'Services Start Date', 'Priority for Service (PFS)' (checked), 'Eligibility Expiration Date', 'To State' (ID: Idaho), 'Last Qualifying Move Date', and 'Services End Date'. ## Department of Education Description of Migrant

Migrant families are a highly mobile population and migrant lifestyle creates many obstacles for migrant children. The Migrant Education Program is designed to address the unique needs of identified migrant children and their families. To achieve this purpose, the State Department of Education helps the local educational agencies by providing the following:

- Support for high-quality and comprehensive educational programs for migrant children in order to reduce the educational disruption and other problems that result from repeated moves;
- Ensure that migrant children who move among the states are not penalized in any manner by disparities among the states in curriculum, graduation requirements, and state academic content and student academic achievement standards;
- Ensure that migrant children are provided with appropriate educational services (including supportive services) that address their special needs in a coordinated and efficient manner;
- Ensure that migrant children benefit from all state and local programs.
