The Individual Education Program (IEP) or Evaluation team uses the Evaluation to document the student's educational needs and the student's determination of eligibility for special education.

The current format of this document is the **IL Eval 2020**. Evaluation formats are selected in [Eval Types](#).

*Illinois Evaluation Editors*

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation summary report, including the documentation of eligibility, is given to the student's parents by the school district.
